

This set includes 4 MICRO-GRIP clamps, usable with one hand, allowing an adjustable pinch perpendicular to the sheets. They are resistant to welding splinters and guarantee maximum clamping force. Small and very practical, they can be used in extremely limited spaces.

## DESCRIPTION

- Delivered in packs of 4 pliers.
- Handy, one-handed operation.
- For confined, narrow places.
- Jaws with rounded shapes.
- Parallel movement of the movable jaw.
- Brass screws for precise adjustment.
